✓ 41 Interviews with officers who have worked with mental health clinicians in responding to mental health crisis calls have identified the following benefits. Select all that seem beneficial to you.

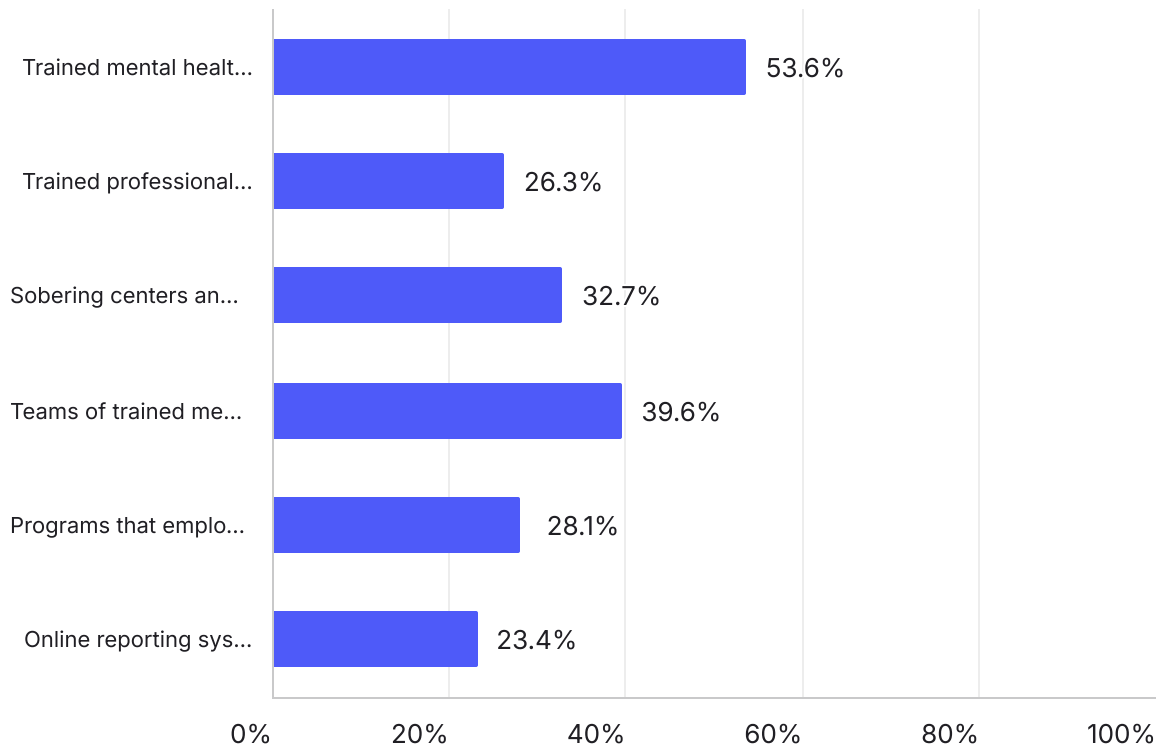

278 of 278 answered ▾

Counts ▾

Clinicians have skills in crisis intervention and make people feel at ease	51.4% 143
Clinicians are able to get on the scene quickly to help someone in crisis	32.0% 89
Clinicians and police can share their expertise and make decisions together about how to handle crises	58.3% 162
Clinicians handle mental health aspects of crisis calls which means officers can return to their other duties more quickly	51.4% 143
Clinicians can ensure people who need help get appropriate services or treatment and can divert them away from the justice system	58.6% 163
None of these seems beneficial to me	8.3% 23

✓ 42 Which of the following do you have experience working with while on duty? (Select all that apply)

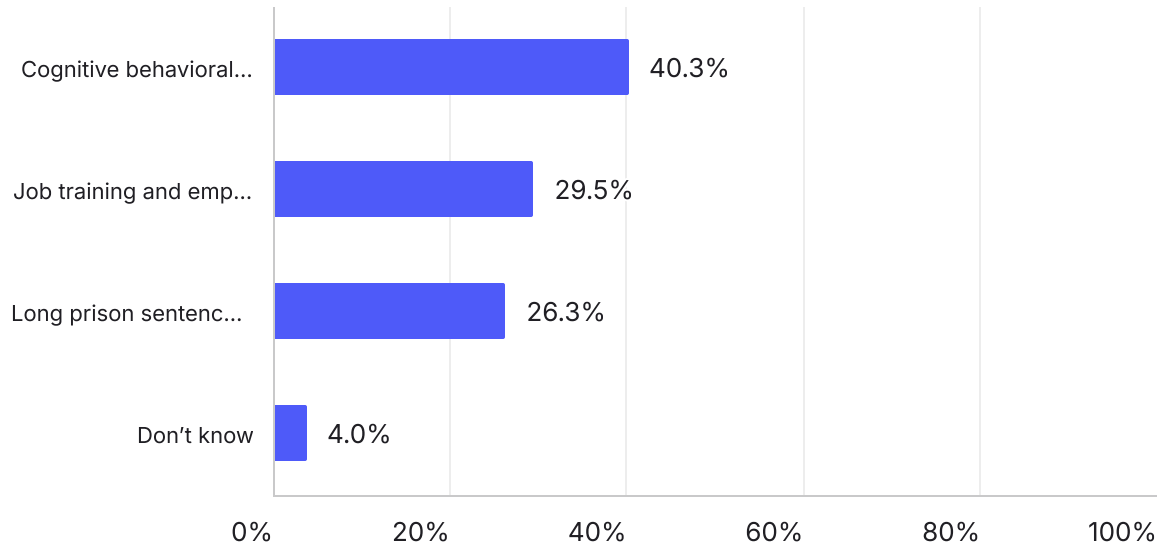

278 of 278 answered ▾

Counts ▾

Trained mental health clinicians or social workers equipped with de-escalation techniques	53.6% 149
Trained professionals responding to non-injury traffic collisions	26.3% 73
Sobering centers and/or crisis stabilization centers for people experiencing overdoses	32.7% 91
Teams of trained mental health clinicians and medics responding to welfare checks and suicide threats	39.6% 110
Programs that employ residents trained in street outreach, mediating neighborhood conflicts and mentoring youth	28.1% 78
Online reporting systems	23.4% 65

44 What do you think is the most effective way to prevent people from committing repeat crimes?

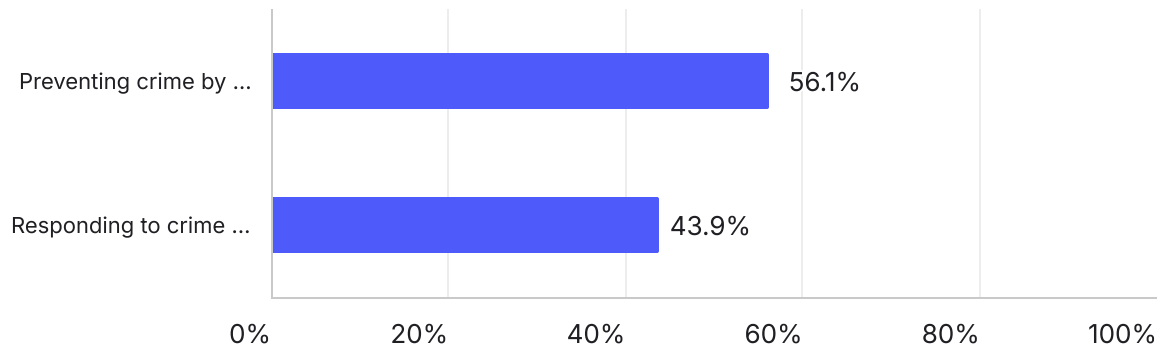

278 of 278 answered

Counts

Cognitive behavioral therapy and/or addiction treatment	40.3% 112
Job training and employment opportunities	29.5% 82
Long prison sentences	26.3% 73
Don't know	4.0% 11

45 Do you prefer that governments invest more in

278 of 278 answered ▾

Counts ▾

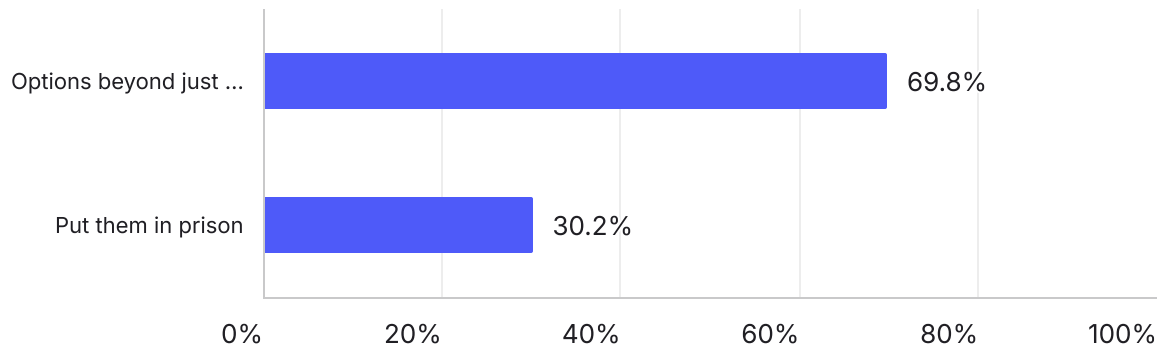

Preventing crime by strengthening communities

56.1% 156

Responding to crime by punishing people who commit crimes

43.9% 122

46 When people commit crimes, which do you think is generally the best way to hold them accountable?

278 of 278 answered ▾

Counts ▾

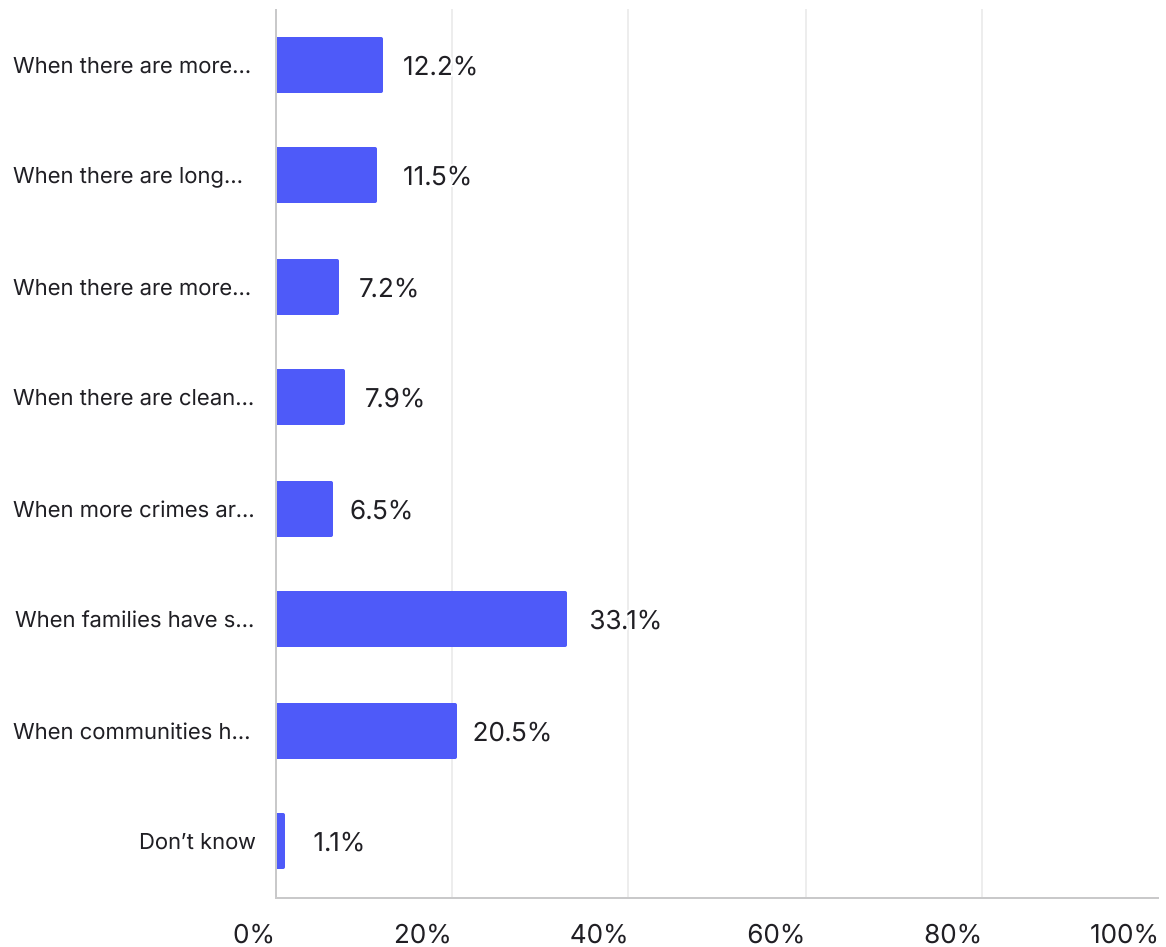

Options beyond just prison, such as rehabilitation, cognitive behavioral therapy, mental health interventions, drug programs, restorative justice, or community service

69.8% 194

Put them in prison

30.2% 84

47 Understanding you may agree with more than one, with which one of the following do you most agree?

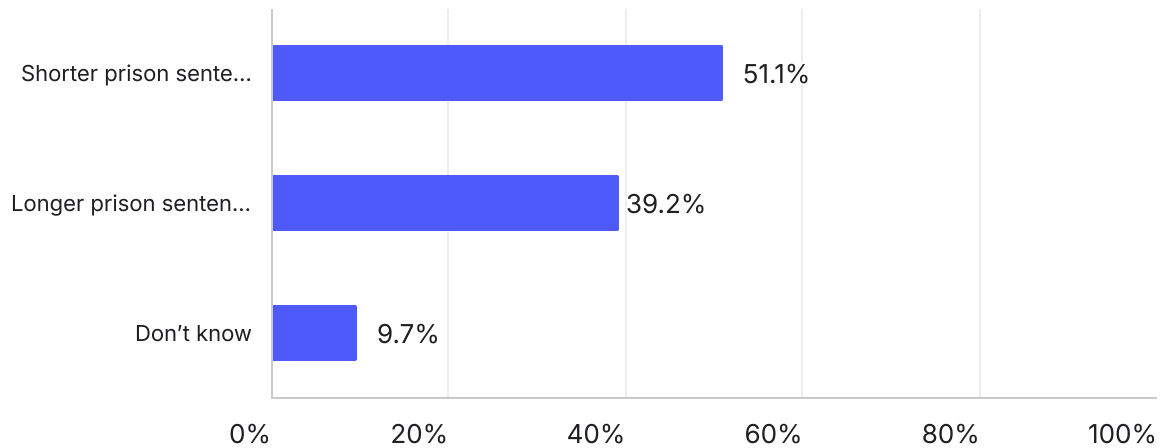

278 of 278 answered

Counts

When there are more jobs and housing, crime goes down	12.2% 34
When there are longer prison sentences, crime goes down	11.5% 32
When there are more arrests, crime goes down	7.2% 20
When there are cleaner neighborhoods, crime goes down	7.9% 22
When more crimes are solved, crime goes down	6.5% 18
When families have stability, crime goes down	33.1% 92
When communities have strong neighborhood safety programs, crime goes down	20.5% 57
Don't know	1.1% 3

48 Which do you prefer?

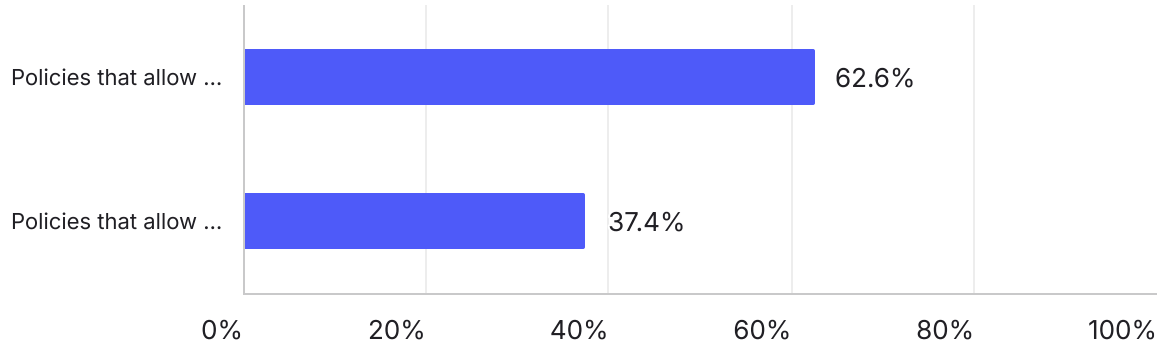

278 of 278 answered

Counts

Shorter prison sentences and using money saved to fund youth violence prevention, mental health interventions, and addiction programs	51.1% 142
Longer prison sentences and maintaining the prison budget to keep people incarcerated for the full length of their sentences	39.2% 109
Don't know	9.7% 27

49 For people who have completed their sentences and remained crime-free, which do you prefer:

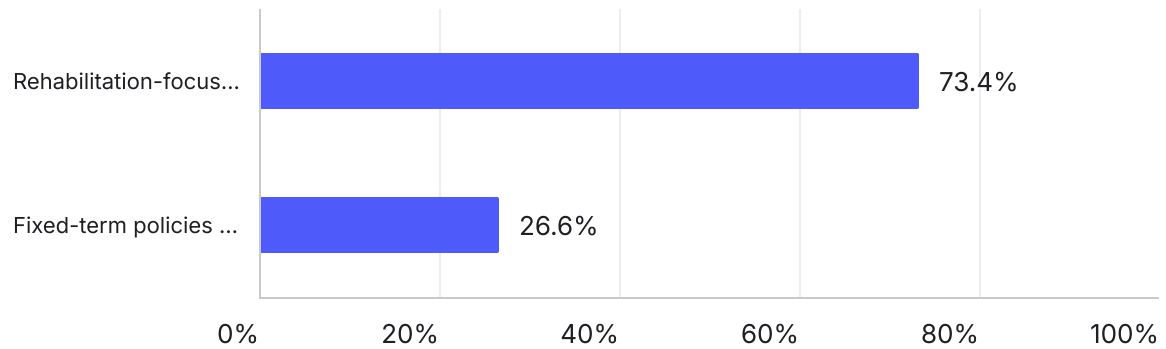

278 of 278 answered ▾

Counts ▾

Policies that allow them to clear their public records to expand job opportunities and housing stability. Law enforcement would still maintain access. 62.6% 174

Policies that allow records to appear on background checks for employment or housing. 37.4% 104

50 For people in prison who are going to be released, do you prefer:

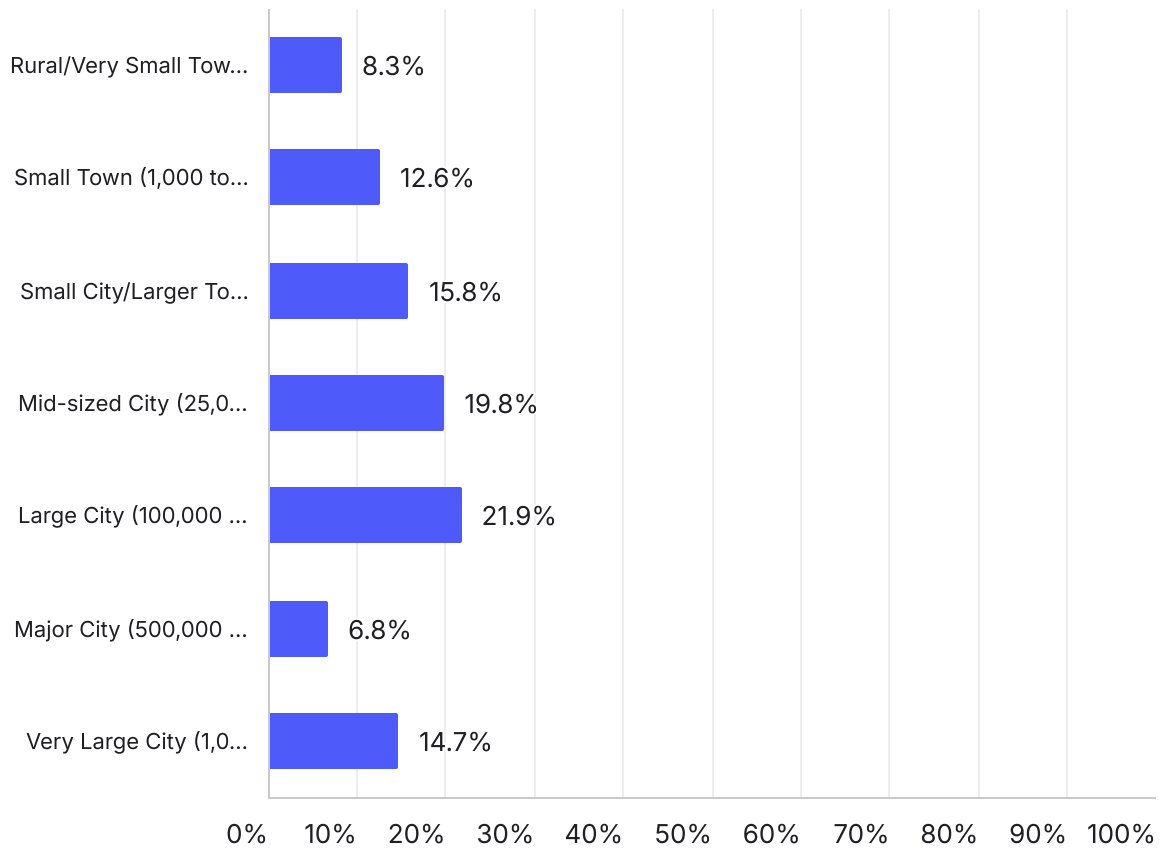

278 of 278 answered ▾

Counts ▾

Rehabilitation-focused policies – authorize the parole board or similar agency to consider early release for people who participated in rehabilitation, education, and job training	73.4% 204
Fixed-term policies – uniform policies that require everyone to serve mandatory terms	26.6% 74

54 How would you describe the area you serve?
